Dear Michael:

Congratulations! On behalf of the State Bar of Arizona we congratulate you and the International Law Section on your Convention seminar being selected to receive the Presidential Award. Of more than 44 seminars at the Convention, only 8 were chosen to receive this award.

The Presidential Award Program was designed to give special recognition to seminars anticipated to be of superior quality. The criteria considered by the Convention Committee and myself included the breadth of the seminar's appeal to Bar members, the use of diverse panels of speakers, co-sponsorship between Bar entities, and compliance with guidelines established by the Convention Committee.

Throughout the printed Convention materials the seminar will be recognized as being a Presidential Award winner. We hope this will generate interest in your session and enhance attendance.

Thank you for your hard work and contributing to the overall success of excellence of the 2011 Convention.

With best wishes,
